FAQ

Do you take care of delivery, set up, and clean up?

We do! Our team takes care of everything flower related on event day so all you have to do is enjoy your wedding.

How much should I budget for flowers?

Our average budget for a 120 person wedding is \$6 k to \$8k.

Can I DIY some of my own flowers?

The simple answer is no. However, we do make an exception for cultural flowers such as leis or jaimalas and varmalas.

What are the next steps?

Reach out to set up a complimentary consultation where we will discuss your vision at length and prepare a custom floral proposal.

The background is a photograph of a stone archway leading to a garden path. The archway is made of grey stone blocks. The path is paved and leads through a lush garden with green hedges and various plants. The lighting is soft, suggesting a sunny day. The text 'THANK You' is overlaid in white. 'THANK' is in a large, white, serif font, and 'You' is in a white, cursive script font.

THANK You

Thank you for entrusting us with the opportunity to bring your vision to life. Should you choose us, we eagerly await the chance to transform your dreams into stunning reality. Your trust means the world to us, and we can't wait to create something truly magical together.
